“Acceleration of ASEAN Outlook on the Indo-Pacific (AOIP)
Mainstreaming for Peace, Stability and Prosperity in the Indo-Pacific”
On Monday, December 19, 2pm-6pm**

ASEAN-Japan Centre (AJC) is going to host an online Special IGA (Industry-Government-Academic) dialogue “Acceleration of ASEAN Outlook on the Indo-Pacific (AOIP) Mainstreaming for Peace, Stability and Prosperity in the Indo-Pacific” on Monday, December 19, 2pm-6pm.

Date and Time: Monday, December 19, 2022, 14:00-18:00 (JST Tokyo)

Registration: <https://bit.ly/3EftGxz>

The ASEAN Outlook on the Indo-Pacific (AOIP) was formulated in 2019 by ASEAN to “guide cooperation,” “promote an enabling environment for peace, stability, and prosperity,” “enhance ASEAN’s Community building process,” and further strengthen implementation of “ASEAN priority areas of cooperation, including maritime cooperation, connectivity, the Sustainable Development Goals (SDGs), and economic and other possible areas of cooperation.”

To accelerate the process of AOIP implementation, the ASEAN leaders adopted the declaration on mainstreaming for priority areas of the ASEAN outlook on the Indo-Pacific within ASEAN-led mechanisms at the 40th ASEAN Summit on November 11, 2022, in Phnom Penh.

AJC recognizes that enhancing cooperation on AOIP toward the 50th year of ASEAN-Japan Friendship and Cooperation in 2023 would be important to build stronger cooperative relationships between ASEAN and Japan for peace, stability, prosperity, and development in the Indo-Pacific Region.

In this context, the AJC organizes a special Dialogue Forum by inviting senior government officials, researchers, and experts on AOIP from Indonesia, Singapore, and Japan to identify key priority actions toward acceleration of AOIP mainstreaming, specifically in relations to Indonesia’s ASEAN Chairmanship in 2023.
